بسم الله الرحمن الرحيم

قَالُوا سُبْحَانَكَ لَا عِلْمَ لَنَا إِلَّا مَا

عَلَّمْتَنَا إِنَّكَ أَنْتَ الْعَلِيمُ الْحَكِيمُ

صدق الله العظيم

سورة البقرة آية (٣٢)

Acknowledgment

First and foremost, I fell always indebted to Allah, the most kind and the most merciful.

I would like to express my sincere appreciation and my deep gratitude to Prof. Dr. Magdy Mohammed Mahmoud, Professor of Obstetrics and Gynecology, Faculty of Medicine, Ain Shams University, who assigned the work, and kindly supplied me with all necessary facilities for its success and helped me to complete this work.

I wish to express my sincere thanks and heartfelt gratitude to Prof. Fekria Ahmad Salama, Professor of Obstetrics and Gynecology, Faculty of Medicine, Ain Shams University, for her keen interest, beneficial advice and constant support during this work.

I can't forget to express my sincere thanks to Dr. Nashwa El Said Hassan, Lecturer in Obstetrics and Gynecology, Faculty of Medicine, Ain Shams University, for the great support, encouragement, patience and help to achieve this work.

My extreme thanks to Dr. Dina El-Shinnawy, Lecturer of Clinical Pathology, Faculty of Medicine, Ain Shams University, for her great help in completing this work.

Finally, I would like to express my appreciation to patients who participated in accomplishment of this work

Marwa Ahmad
