Acknowledgement

*Thanking the most powerful and merciful Allah, I'd like to thank my dear professors, **Prof. Dr. Dr. Bashir Attia El-Shetary** (Prof. of Inorganic Chemistry, Department of Chemistry, Faculty of Education, Ain Shams University), **Prof. Dr. Magdy Shebl Saleh** (prof. of Inorganic Chemistry, Faculty of Education, Ain Shams University) and **Dr. Omima Mohamed Ibrahim Adly** (Assistant prof. of Inorganic Chemistry, Faculty of Education, Ain Shams University) Suggesting the point of this work and continuous guidance throughout all the stages of this research.*

*I wish to express my thanks to **Prof. Dr. M. M. Mashaly**, (Head of the Chemistry Department, Faculty of Education, Ain Shams University) and **Prof. Dr. A. Taha** (former Head of the Chemistry Department, Faculty of Education, Ain Shams University) for facilities provided during the course of research work.*

Also I'm thankful to all members of the staff in the Chemistry Department for their faithful cooperation.
