ADVISORY COMMITTEE

The following staff members of the Plant Protection Department, Faculty of Agriculture, University of Assiut, have served as the author's advisory committee:

Dr. Abdel-Wahab M. Ali, Professor of Economic Entomology.

Dr. Sayed A. Ahmed, Professor of Pesticides.

Dr. Samir H. Manna, Associate professor of Economic Entomology.

ACKNOWLEDGEMENT

ACKNOWLEDGEMENT

First of all, ultimate thanks are to ALLAH, without whose aid this work could not be done.

With great sorrow and sadness, I offer my sincere appreciation to the late of Prof. Dr. Ahmed Galal A. Salman, whose supervision, helpful suggestions and invaluable assistance could not be forgotten.

I am also grateful to my supervisor Dr. Abdel-Wahab M. Ali, Professor, of Economic Entomology, Department of Plant Protection, Faculty of Agriculture, Assiut University for suggesting the problem, encouragement offered me during this work and throughout the preparation of the manuscript. I am grateful for his excellent teaching and invaluable advice.

Thanks are also due to Dr. Sayed A. Ahmed, Professor of Pesticides in the same Department for his advice and kind help.

I am very much thankful to Dr. Samir H. Manna, Associate Professor, in the same Department, for his careful supervision, advices and kind help during writing this thesis.

Thanks are also to all the staff members and technical assistants in the Department of Plant Protection for their help and cooperation.
