## **Dedication**

To my lovely parents who supported me all the way, my wonderful sister and brother for making it fun to work at home ...

## **Acknowledgement**

Many thanks to Prof. Dr. Salma ElAshry for her support and guidance. A true and sincere mentor.

Dr. Abeer A.ElHakim for going through every single detail in this work and helping me in rough times.

Dr. Dalia Yahia for her valuable advice and support.

I would like to thank everybody who helped me throughout the journey of this work.
