Protocol

*Atorvastatin therapy for reduction
of postoperative Atrial Fibrillation in
patients undergoing cardiac surgery*

Thesis submitted for partial fulfillment of master
degree in cardiology

By

Ali Abdelwahab Ali Elsharkawi

MB.Bch

Under supervision of

**Professor Doctor/Salwa Mahmoud Ahmed
Suwailem**

Professor of Cardiology- Faculty of Medicine
Ain Shams University

Doctor/ Mahmoud Hussein Mazen

Assistant consultant of cardiothoracic surgery
National Heart Institute

Doctor/ Osama Ali Diab

Lecturer of Cardiology -Faculty of Medicine
Ain Shams University

Faculty of Medicine- Ain Shams University

٢٠٠٧

Acknowledgement

All gratitude is due solely to Allah. Exclusive of all those who might be worshipped besides Him, for the inestimable blessing which He has bestowed upon His slaves.

*I would like to express my endless gratitude and appreciation to **Prof. Dr., Salwa Mahmoud Ahmed Suwailem**, professor of cardiology in Ain Shams University for giving me the honor of working under her supervision.*

*My deep thanks are to **Dr. Mahmoud Hussein Mazen**, assistant consultant of Cardiothoracic surgery in the National Heart Institute and **Dr. Osama Ali Diab**, lecturer of Cardiology in Ain Shams University, for their valuable guidance during the whole period of the study.*

At last but not at least, I'd like to convey my warmest gratitude to my family and my colleagues for their support to me.
