STATEMENT

This thesis is submitted to Ain Shams University for the degree of M.Sc. in Electrical Engineering (Electronics and Communication Engineering Department).

The work included in this thesis was carried out by the author in the department of Electronics and Communication Engineering, Faculty of Engineering, Ain Shams University.

No part of this thesis has been submitted for a degree or a qualification at any other university or institution.

Date : 27/12/1999

Signature : ()

Name : Mohammad Mahmoud Ahmad.

Acknowledgement

First and foremost thanks are due to God.

Deep appreciation and gratefulness are expressed to Prof. Dr. *Magdi Mahmoud Ibrahim*, Professor of Electronics & Communication Engineering, Faculty of Engineering, Ain Shams University, for his guidance and help throughout this work.

I offer also many thanks to all members of communication engineering department.

Finally, let me thank my family and let me thank my friends who have help me along the way.
