ACKNOWLEDGEMENTS

ACKNOWLEDGEMENTS

All gratitude is due to ALLAH who guided and helped me to achieve this work.

The author wishes to express his deepest appreciation and sincere gratitude to Professor **Dr. Mohammed Abd El-Razek**, Vice Dean of the College of agriculture, Assiut university, for suggesting the problems, continuous encouragement and helpful advice. He never deprived me of the great benefit of his experience in this study.

Many thanks and gratefulness are due to Professor **Dr. Mohamed A. El-Desoky**. Department of soil and water, College of Agric., Assiut Univ., for his supervision, valuable help and assistance during this work and throughout the writing of thesis.

Thanks and appreciation are due to **Dr. Mohamed Soliman Ibrahim**, Associate Professor, Soil and water Dep., College of Agric., South Valley Univ., for his supervision and his kind help throughout this investigation.

Appreciation are also extended to Staff Members of the Department of Soils and Water, University of Assiut.

Finally, I would like to express my deepest respect and appreciation to my father, mother, wife, brothers, daughter and all persons for helping me and encouragement during this work.
