ACKNOWLEDGMENT

First and foremost, I wish to express my deep gratitude to my advisors, ***Prof. Dr. Nagwa M. Enany*** and ***Ass Prof. Dr. Essam A. Abdallah*** for their encouragement and valuable advice and constant support in supervising this study. Their guidance and vast knowledge made this work possible and enjoyable.

Special thanks to ***Prof. Dr. Samir F. Aboul-Azm***, the Head of the Orthodontic Department for his superb advices, experience and valuable orientation.

I am very thankful to ***Prof. Dr. Myra A. Fahmy***, Professor of Orthodontics, Faculty of Dentistry, Alexandria University for her support and useful remarks she willingly gave me during this work.

I am also very grateful to ***Dr. Nadia El-Harouny***, Lecturer of Orthodontics, Faculty of Dentistry, Alexandria University for her true advice, help and time she freely gave for guiding and teaching me through this study.

I extend my genuine appreciation to ***all my Professors and colleagues*** in the Orthodontic Department, Faculty of Dentistry, Alexandria University for their sincere help and support.

I also convey my appreciation to the Department secretary, ***Mrs. Sanaa H. Saleh*** who was there for me whenever I needed her.

Finally, I wish to express my gratitude to my ***father, mother and sister*** for their continuous support even after all these years encouraging me and directing me forward and to ***my wife*** for standing beside me and creating best circumstances to let me concentrate throughout all my work.
