Faculty of Medicine

A STUDY ON RETINOL BINDING PROTEINS IN URINE IN NEPHROTIC SYNDROME

4720

Thesis

Submitted For Partial Fulfilment of Master Degree in Pediatrics

By

Ranía Mohammed Abd El-Hameed (M.B.B.Ch.) Pediatric Department

Supervised by

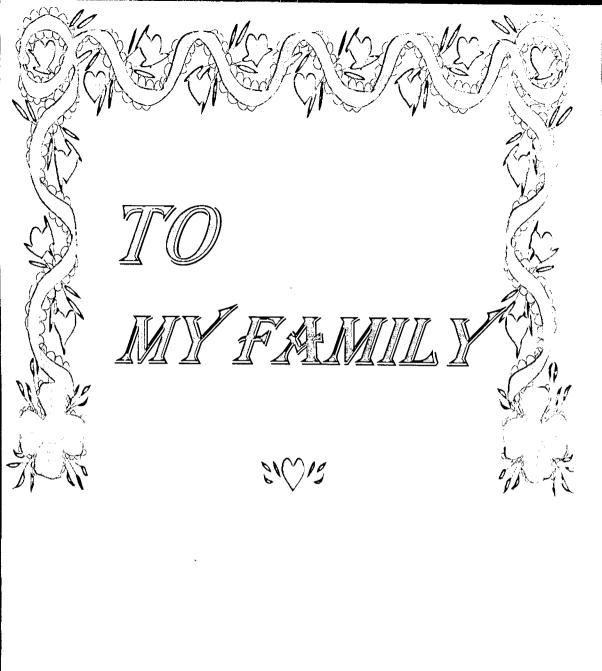

Dr. Zeinab Mahmoud El-Kady

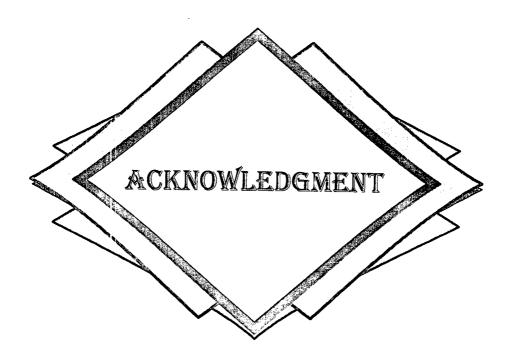

Assistant Professor of Pediatrics Faculty of Medicine Assiut University

Dr. Hanan Ahmed Noaman

Assistant Professor of Pediatrics Faculty of Medicine Assiut University

Acknowledgment

Firstly, grace and faithful thanks to our merciful God (ALLAH) for blessing this work until has reached its end as a little part of his generous help throughout our life.

I would like to express my deepest gratitude, respect and appreciation to *Dr. Zeinab Mahmoud El-Kady*, Assistant Professor of Pediatrics, Faculty of Medicine, Assiut University, for her endless support, professional guidance, her great kindness and continous encouragment.

I would like to express my sincere appreciation to Dr. Hanan Ahmed Noaman Assistant Proffessor of Pediatrics, Faculty of Medicine, Assiut University, for her valuable advice and support, and skillful help.

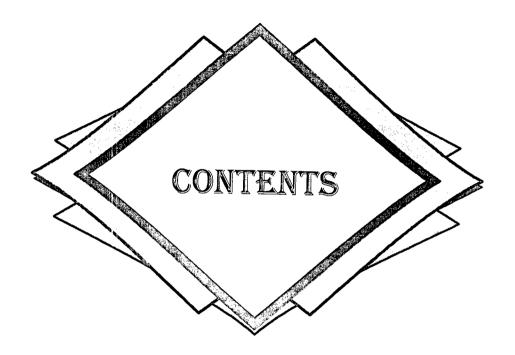

I will always be extremely grateful and thankful to Dr. Tarek

Hassan Al-Mitwaly, Lecturer of Biochemistry, Faculty of

Medicine, Assuit University, for his effort in accamplishment of the
laboratory work of this study, and for his continous encouragement,
valuable opinion, effort and time.

I would like to express my deepest gratitude and love to my parents, and my brother for their endless love, continous encouragement and their great support.

Rania M.Abd El-Hameed
