## *Acknowledgement*

First of all, I thank Allah who gave me the strength to finish this work, which I hope, can be a humble contribution to research in the field of breast reconstruction.

I would like to express my deepest gratitude and cardinal appreciation to my eminent Prof. Dr. Abd El Meguid Mahmoud El Shinnawy, Prof. of General Surgery, Faculty of Medicine, Ain Shams University, for his kind guidance and supervision. Indeed, I learnt from Prof. Dr. Abd El Meguid El Shinnawy, how the practice of surgery can be an interesting task.

I am also offering my warmest thanks to Ass. Prof. Dr. Ayman Abu El-Makarem Shaker, Ass. Prof. of Plastic Surgery, Faculty of Medicine, Ain Shams university, for his total adoption of this work. His positive attitude and generosity are the cornerstones in the completion of this work.

I am very thankful to Dr. Hebatalla Diaae Hussein, Lecturer in Plastic Surgery, Faculty of Medicine, Ain Shams University, who was very helpful in the present work.

I am greatly thankful to Prof. Dr. Soher Ismail, Prof. of Oncology and Nuclear Medicine, Faculty of Medicine, Ain Shams University, who provided me with time and effort helping me through this work.

I am greatly thankful to Prof. Dr. Ikram Safe, Prof. Dr. Amr Salah and Ass. Prof. Dr. Saad El-Fayoumy, who gave me the instructions and directed me through this work.

Last but not least I thank all my colleagues and all who gave me a hand while working on this thesis.

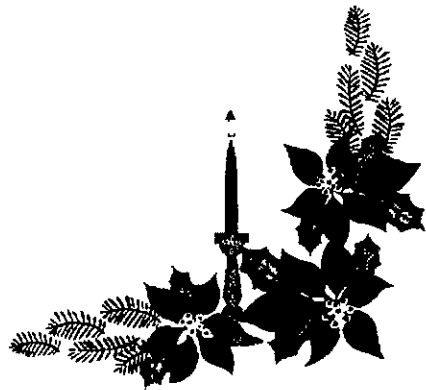

Finally, I would like to dedicate this work to my beloved wife and family who gave me all the support to complete this work.

*To My Wife  
and My Family*
