ACKNOWLEDGEMENT

"I do thank Allah for all gifts endowed me".

The author wishes to express his deepest thanks and gratitude to professor Dr. Ahmed I. Hammam, Professor of Organic Chemistry, Faculty of Science, Assiut University, to Dr. Ragab F. Fandy, Lecturer of Organic Chemistry, Faculty of Science, Dena, South Valley University and to Dr. Hossan H. Abbas, Lecturer of Organic Chemistry, Faculty of Science, Dena, South Valley University.

They were kind enough to suggest the lines of research investigated and to follow the progress of the work with keen interest, helpful guidance and valuable criticism which made this thesis possible in its present form.

The author also wants to express his deep thanks and gratitude to Professor Dr. H.M. Rageh Head of Chemistry Department and the Dean of Faculty of Science, Dena.

The author wishes also to extend his sincere thanks to all colleagues who offered assistance in making this work possible.
