Acknowledgment

First, thanks are all due to **God** for blessing this work until it has reached its end, as a part of his generous help throughout my life.

I would like to express my deepest gratitude to **Prof. Dr. Rakia Mohamed Amin Sheir**, Professor of Anaesthesia and Intensive Care, Faculty of Medicine, Ain Shams University, for her great support and continuous encouragement throughout this whole work. It is a great honor to work under her guidance and supervision.

I am truly grateful to **Ass. Prof. Dr. Sahar Kamal Eldin Kamel**, Assistant Professor of Anaesthesia and Intensive Care, Faculty of Medicine, Ain Shams University, for her close supervision, sincere help, valuable suggestions and continuous encouragement throughout the whole work.

My deepest appreciation and grateful thanks are due to **Dr. Samia Abdel Mohsin Abdel Latif**, Lecturer of Anaesthesia and Intensive Care, Faculty of Medicine, Ain Shams University, for her kind advice and her great efforts throughout this work.

Rasha Gamal Abo Sinna

List of Contents
