ACKNOWLEDGEMENT

I would like to sincerely thank **Dr. Amr Ahmed Shabka**, Professor of Operative Dentistry, Faculty of Oral and Dental Medicine, Cairo University, for his valuable and academic guidance.

I wish to express my deepest gratitude to **Dr. Mohamed Hany Ahmed**, Associate Professor of Operative Dentistry, Faculty of Oral and Dental Medicine, Cairo University, who offered me great knowledge, experience and patience that helped and supported me during my work in this research.

I would like to acknowledge the help given by **Dr. Hesham H. Khalifa**, Professor of Environmental Physiology and Endocrinology, Faculty of Agriculture, Al-Azhar University, to accomplish the statistical work.

Finally, I wish to express my deep thanks to all members of Operative Dentistry Department, Faculty of Oral and Dental Medicine, Cairo University, for their cooperation.
