ACKNOWLEDGEMENT

I would like to express my deepest gratitude, appreciation and respect to Prof. Dr. Magda Aly Hassan Essawy, Professor of Pediatric Nursing, Faculty of Nursing, Alexandria University, for being behind the valuable guidance, endless help, continuous motivation, constant moral support, and encouragement. I feel greatly honoured to have been working under her supervision.

I owe special thanks to Prof. Dr. Mohamed Aly Dawoud, Professor of Pediatrics, University of Alexandria, for his valuable guidance and continuous assistance throughout the study.

I wish to offer my thanks and gratitude to Dr. Omnia Galal Waziry, Lecturer of Pediatric Nursing, Faculty of Nursing, Alexandria University, for her sincere advice, tremendous support, valuable guidance, personal attention, sustained encouragement, and extreme patience throughout the work of this study.

I owe special thanks to Dr. Maha Mohamed Gaafar, Lecturer of Psychiatric Nursing and Mental Health, Faculty of Nursing, Alexandria University, for her valuable guidance and continuous assistance throughout the study.

I would like to express my sincere gratitude, thanks and appreciation to all professors and staff of pediatric nursing department who were providing me with a continuous support and encouragement during this work.

Many thanks and appreciation for adolescents with thalassemia major and their families for their cooperation during the study period.

I wish to offer my whole-hearted thanks to my family who is always supporting and giving me abundant of love and care.

Special appreciation to my mother for her continuous assistance, love and support.

My deepest appreciation and indebtedness should so to my beloved sister for her warm support and everlasting help.

Last, but not least, I wish to offer my appreciation to my friends, who I sincerely love them.
