## **ACKNOWLEDGMENT**

First and foremost, my great thanks and gratitude to **GOD** , the most beneficial  
and most merciful.

I would like to express my sincere appreciation and deepest gratitude to **Prof. Farouk Ahmed Haggag** , for his generous supervision , illuminating guidance , and wise counsel as well as his kind support throughout this work. It has been a great honor and extreme pleasure for me to proceed with this work under his supervision.

I am also deeply indebted and grateful to Prof. **Emad Hamada** , for his continuous supervision , precious advices, constructive criticism , productive guidance , valuable instructions, great effort and continuous support and patients through out this  
work.

I would also like to thank Consultant Dr. **Amina Abd El Wahid** for her patience, guidance , encouragement , great and continuous effort and support and great interest in  
the progress of this work.

I am also thankful to all the stuff of **NEMROCK** and **BMT**, my colleagues and every one who contributed to this work and helped in its final accomplishment.

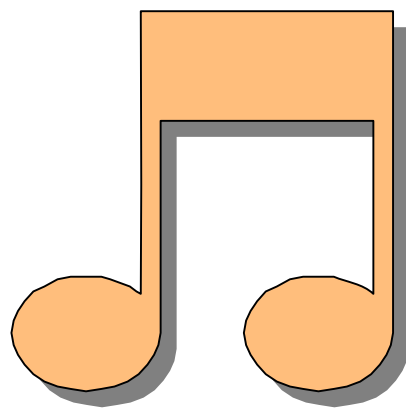

**THANK YOU ALL**

**SPECIAL THANKS TO ALL MY FAMILY AND MY SON**

**FOR THEIR CONTINUOUS SUPPORT**

**TO ME THROUGH OUT THIS WORK**

**MANY THANKS**
