## ACKNOWLEDGEMENT

I would like to express my deep gratitude and appreciation to Dr. *Amin Gad El-Rab Ata*, Professor of Ophthalmology, Ain Shams University for his valuable instructions, constructive advice and kind supervision and constant encouragement during the course of the study.

I am also grateful to Dr. *Ahmed Samy Ibrahim Abu El-Naga*, Professor of Ophthalmology, Ain Shams University for his support and guidance and constant encouragement during this study.

I wish to extend my sincere appreciation to Dr. *Hany Mohamed Hasan El Ibiary*, Professor of Ophthalmology, Ain Shams University .I remain in admiration for his great help and kind guidance throughout the whole work.

Last but not least, I am very grateful to the patients and their parents for their cooperation wishing them health and happiness.
