ACKNOWLEDGEMENT

ACKNOWLEDGEMENT

Great appreciation is expressed to *Prof. Dr. Maher Hussein Khalifa*, Professor of Physiology, Zoology Department, Faculty of Science, Cairo University, for his effort and valuable advice, assistance and sincere guidance.

I would like to express my deep thanks to *Dr. Moustafa Hossein El-Naggar*, Assistant Professor of Ecological Physiology, Zoology Department, Faculty of Science, Suez Canal University, for his sincere guidance, encouragement and assistance during the course of this study.

I cannot forget to thank *Dr. Zakaria A. El-Khyatt*, Assistant Proffessor of Medical Biochemistry, Medical Physiology Unit, National Research Centre, for his great help during the course of this study.

Also, I would like to thank *Dr. Abdel Ghany Abdou Youssef*, Cultivation and Production of Medicinal and Aromatic Plants Department, National Research Centre, for his help in the oil extraction.

My family deserves special and cordial appreciation for offering me all the time and effort needed to complete this study.
