Acknowledgement

First of all, I owe all the thanks and gratitude to **ALLAH**, the most merciful and the most gracious.

I would like to express my deepest thanks and appreciation to **Prof. Wagdy Talaat, PhD**, Head of the Medical Education Department, and Professor of Pathology, Faculty of Medicine, Suez Canal University, who offered me a great deal of support and help throughout this work.

The same thanks and appreciation goes to **Prof. Somaya Hosny, PhD, MHPE**, Vice Dean for Education and Students' Affaires, and Professor of Histology, Faculty of Medicine, Suez Canal University, for her peculiar help and support.

I want to thank very much **Dr. Hassan El Shatoury, MD, MHPE**, Lecturer of Neurosurgery, Faculty of Medicine, Suez Canal University for his continuous guidance and scientific supervision during every step of this work.

I don't forget to thank very much my dear mother for providing me with comfort and convenient climate, which helped very much the appearance of this work in such a look
