ACKNOWLEDGMENT

First and above all, all thanks to Allah the merciful, the compassionate without his help, I could not finish this work.

Words stand short when coming to express my deep gratitude and great thanks to Prof. Dr. Azza Ahmad El -Shahat El -Agroude, Professor of Nutrition and Dept faculty of home Economics Minufiya University for her continuous encouragement and sincere advice which have been the main factors to complete this work.

I am also delighted to express my deepest gratitude and cardinal thanks to Dr. Seham Aziz Khider, Lecturer of nutrition and food science faculty of home Economics Minufiya University for her kindness, encouragement and cooperation in all steps of this work.

Great thanks also are due to prof .Abd-El.Rahman Atia, and pro. Eslam. Heider for their agreement to discuss the thesis

I am also delighted to express my deep gratitude and thanks to all my dear professors and colleagues.
