## ***DEDICATION***

*I dedicate this work to my sweet son Ramy and my daughter Rana , my beloved wife Rasha, and to my parents who gave me all their love and care.*

*No words can express my gratitude for them, for they have always supported and encouraged me.*

\*\*\*\*\*

## **ACKNOWLEDGEMENT**

First of all, Thanks merciful God who helped me finish this work.

I would like to express my sincere appreciation and deepest gratitude to Dr. Fathy Maklady, Professor of Cardiology, Faculty of Medicine, Suez Canal University, for his continuous guidance and valuable help.

I would like to deeply thank Dr. Maged Sayed Khatab, Professor of Family Medicine, Faculty of Medicine, Suez Canal University, for his sincere assistance, fruitful suggestions and encouragement throughout this work.

I also wish to express my appreciation for Dr. Abd Elmeguid Ahmed Abd Elmeguid Assistant Professor of Family Medicine, Faculty of Medicine, Suez Canal University, for his valuable help and continuous supervision.

I am also grateful for Dr. Mohamed Mohamady Awad, Assistant Professor of Family Medicine, Faculty of Medicine, Suez Canal University, for his kind assistance and guidance.

I am much obliged to the employees of AlSalam Family Medicine center, and also to the residents of AlSalam area in PortSaid, who showed great cooperation and generous help.
