ACKNOWLEDGEMENT

ACKNOWLEDGEMENT

First of all my heartfelt thanks are due to **God** who gave me every thing I have.

I am deeply grateful to Prof. **Dr. Hassan M. Elsharouny**, Professor of Microbiology, Sohag Faculty of Science, South Valley University, for his excellent supervision, precise guidance, endless support and kind help through all steps of the present work.

My deep gratitude is due to **Prof. Dr. E. B. Gareth**, Professor of Mycology City University, Hong Kong and to **Dr. Youssef M. Elgharabawy**, Assistant Professor of Mycology, Botany department, Qena Faculty of Science, South Valley University for their invaluable advice and supervision.

Sincere thanks are also due to **Prof. Dr. H. M. Rageh**, Dean of Faculty of Science (Qena) for the valuable facilities offered.

I would like to express my deep thanks to all my colleagues at the Botany departments (Sohag, Qena) for their kind help with special thanks due to **M. A. Abdel- Wahab** for his faithful help and valuable advice

Faten Awad Abdel-Aziz
