Mohamed Omar

Acknowledgment

*It has been a great pleasure to work under the supervision of **Prof. Dr. Mohammed F. Abdel Wahab**, Prof. of Tropical Medicine, Faculty of Medicine, Ain Shams University. His guidance and encouragement have paved the way for me to complete this work. He was very helpful and his efforts in revising the work were of great value.*

*I'm also very grateful to **Dr. Ali Zaki Helmy**, Assist. Prof. of Tropical Medicine, Ain Shams University, who has keenly supervised my work and guided every step until it was completed.*

*Also, I would like to express my deepest gratitude to Assist. **Dr. Mohammed Said Mostafa**, Assist. Prof. of Clinical Pathology, Liver Institute Menoufia University, for his kind help, assistance and his remarkable efforts.*

*I would also like to thank **Dr. Tarry Abdel Hamid** Lecturer of Tropical Medicine, Liver Institute, Menoufia University, for performing the ultrasonic examination included in this study and for her guidance and kind co-operation.*

Lastly I would like to thank all the staff in the Tropical medicine Department in Liver Institute for their great guidance.
