

UNDERLYING DISORDERS OF RECURRENT PNEUMONIA IN INFANTS AND CHILDREN IN ABUL REESH HOSPITAL

Thesis by

Rama Ahmed Mahmoud Mansour
(M.B.,B.Ch)

*Submitted for Partial Fulfillment of The MSc Degree in
Pediatrics*

Under Supervision of

Prof. Dr. Samiha Samuel Wissa Doss
*Professor of Pediatrics
Faculty of Medicine
Cairo University*

Prof. Dr. Mohammad Ali Hegazi
*Professor of Pediatrics
Faculty of Medicine
Cairo University*

Dr. Noussa Ragab Mohammad
*Lecturer of Pediatrics
Faculty of Medicine
Cairo University*

Faculty of Medicine
Cairo University
2010

Acknowledgment

First and foremost, I am thankful to God, for without his grace, this work would never have been accomplished.

My deepest gratitude and appreciation to Professor Dr. Samiha Samuel Wissa, Professor of Pediatrics, Faculty of Medicine, Cairo University, for her continuous encouragement guiding in each step in this work. Without her endless effort, patient understanding and support, the study wouldn't have come to light.

I am grateful to Professor Dr. Mohammad Ali Hegazi, Professor of pediatrics, Cairo University, for his support, and supervision.

I am also grateful to Lecturer Dr. Noussa Ragab Mohammad, Lecturer of Pediatrics, Cairo University, for her advice, help, supervision and efficient suggestions which has been a cornerstone to this thesis.

Rama Ahmed Mansour.

Dedication

I offer my sincere thanks and gratitude to my family, as without their support and help this thesis would have never been completed or brought to light.

Thanks to you dear mother, thanks to you dear father, and may God bless your soul, thanks to you my beloved husband and thanks to you dear brother.

May God help me pay you all back.

Rama Ahmed.
