Acknowledgement

I would like to express my sincere gratitude to **Prof. Dr. Amany Amin Soliman**, Professor and Head of Parasitology Dept., Faculty of Medicine, Cairo University whose guidance, help and sincere supervision were the cornerstone in the building up of this thesis. She kindly supervised all the details of this work and revised all the work throughout its various steps. A few words could hardly do justice to her.

I would like to express my gratitude to **Dr. Soraya Abdel-Aziz Sharaf**, Assistant Professor of Parasitology, Liver Institute, Menoufiya University, for her valuable help, cooperation, ^{and} encouragement. She offered me much of her unlimited experience in this research.

I would like to express sincere gratitude to **Dr. Mona Mahmoud Ali**, Assistant Professor of Parasitology, Faculty of Medicine, Cairo University for her generous advice, kind supervision, continuous encouragement and huge assistance in this work.

I would like to thank the staff members of Histopathology Dept., Liver Institute, Menoufiya University for their help in the practical part of this work.
