## *Acknowledgment*

I wish to express my deepest gratitude to Prof. Dr. Reda Abdel Tawab Khalil, Prof. of General Surgery, Ain Shams University, for giving me the privilege to work under his supervision and for his most valuable advice, guidance and recommendations throughout the whole work.

I am deeply thankful to Prof. Dr. Mohammed a. El-Sawy, Prof. of Pediatrics and Genetics, Ain Shams University, for his fruitful suggestions, continuous encouragement and precious remarks.

I am sincerely grateful to Prof. Dr. Shadia H. Mabrouk, Prof. of Pathology, Ain Shams University, for her constructive and encouraging assistance and meticulous follow-up of this work.

I am particularly grateful to Dr. Deya M. Marzouk, Assist. Prof. of General Surgery, Ain Shams University, for his kind help, the great effort he did and his valuable advice.

I am particularly grateful to Dr. Alaa Abbas Moustafa, Assist. Prof. of General Surgery, Ain Shams University, for his fruitful suggestions, the great effort he did and his valuable advice.

My thanks are extended to all my Professors and the Staff of General Surgery Department for their help.
