(٢٠٠٩)

UNDER THE SUPERVISION OF

PROF. DR. KHALED M. ASHRY

Professor and Head of Veterinary Forensic Medicine
and Toxicology Department
Faculty of Veterinary Medicine - Alexandria University

DR. SALAH M. ABD EL-RAHMAN

Assistant Professor of Genetics
Nucleic Acids Research Division, Genetic Engineering and
Biotechnology Research Institute, Mubarak City for Scientific
Research and Technology Applications
New Borg El-Arab City, Alexandria

DR. YASSER SAID EL-SAYED

Lecturer of Veterinary Forensic Medicine and Toxicology
Department of Veterinary Forensic Medicine and Toxicology
Faculty of Veterinary Medicine - Alexandria University

تحت إشراف

الأستاذ الدكتور

خالد محمد السيد عشري

أستاذ ورئيس مجلس قسم الطب الشرعي والسموم والإجراءات البيطرية
قسم الطب الشرعي والسموم والإجراءات البيطرية
كلية الطب البيطري - جامعة الإسكندرية

الدكتور

صلاح محمود علي عبدالرحمن

استاذ مساعد الوراثة
قسم بحوث الاحماض النووية- معهد الهندسة الوراثية
مدينة مبارك للأبحاث العلمية والتطبيقات التكنولوجية- الاسكندرية

الدكتور

ياسر سعيد السيد سالم

مدرس الطب الشرعي والسموم والإجراءات البيطرية
قسم الطب الشرعي والسموم والإجراءات البيطرية
كلية الطب البيطري - جامعة الإسكندرية (فرع دمنهور)

ACKNOWLEDGMENT

FIRST OF ALL GREAT THANKS FOR OUR GOD

WHO GIVES ME EVERY THING I HAVE.

My appreciation and cardinal thanks are due to **Prof. Dr. Khaled M. Ashry** - Professor and Head of Veterinary Forensic Medicine and Toxicology department, Faculty of Veterinary Medicine, Alexandria University for his valuable advice, faithful help, critical discussion, continuous encouragement and his unfailing help throughout this thesis.

I am indebted to **Dr. Salah M. Abd El-Rahman** - Assistant Professor of Genetics, Nucleic Acids Research Division, Genetic Engineering and Biotechnology Research Institute, Mubarak City for Scientific Research and Technology Applications, New Borg El-Arab City, Alexandria for his guidance, generous research fellowship and technical assistance.

I wish to express my sincere gratitude for the kindness and encouragement of **Dr. Yasser Said El-Sayed** - Lecturer of Veterinary Forensic Medicine and Toxicology, Faculty of Veterinary Medicine, Alexandria University (Damanhur Branch) for his interest, helpful discussion and for kindly reviewing this work.

I gladly acknowledged all those who have so kindly helped me in the fulfillment of this thesis especially, workers of forensic medicine and toxicology department, Faculty of Veterinary Medicine, Alexandria University and all members of the department of nucleic acid research, Genetic Engineering Institute Mubarak City for Scientific Research and Technology applications, Alexandria.

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

سُبْحَانَكَ لَا عِلْمَ لَنَا إِلَّا مَا عَلَّمْتَنَا
إِنَّكَ أَنْتَ الْعَلِيمُ الْحَكِيمُ

صدق الله العظيم
