بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ  
الْحَمْدُ لِلَّهِ الَّذِي هَدَانَا لِهَذَا  
وَمَا كُنَّا لِنَهْتَدِيَ لَوْلَا أَنْ هَدَانَا اللَّهُ

وَقَدْ أَهْلَكَ بِهِنَّ جَنَاحُ الْمَوتِ وَصَدَّقَ النَّبِيُّ بِهِنَّ وَأُولَئِكَ يَفْتَكِرُونَ  
إِنَّ لِلَّذِينَ ظَلَمُوا عَذَابًا دُونَ ذَلِكَ وَلَئِنْ كُنْتُمْ عَلِيمِينَ بِغَايَتِ  
الْعَذَابِ فَذَلِكُمُ الْمُؤْتَمَرُ الَّذِي تَتَخَفُونَ خِفَتَهُمْ أَذِنَ اللَّهُ لِلَّذِينَ  
ظَلَمُوا بِقَوْلِ كَثِيرٍ وَأُولَئِكَ هُمُ الْمُفْلِكُونَ

## ACKNOWLEDGEMENT

*First of all thanks to God*

*I wish to express my deepest gratitude and thanks to **Prof. Dr. Yehia Mohamed El-Gamal** Prof. and Chairman of Department of Pediatrics and Head of Pediatric Allergy and Immunology Unit, Faculty of Medicine, Ain Shams University, for giving me the privilege of being under his supervision in this thesis. I consider myself fortunate to work under his supervision. His constant encouragement and constructive guidance were of paramount importance for the initiation, progress and completion of this work.*

*I would like to express my sincere thanks and respect to **Dr. Nahla Mostafa Adly Heshmat** Assistant Professor of Pediatrics, Faculty of Medicine, Ain Shams University, For the great help and facilities she offered me and her continuous guidance and support which were the cornerstone for this work. Also, I am deeply indebted to **Dr. Sayeda Abdel-Rahim Saleh** Lecturer of Clinical Pathology, Faculty of Medicine, Ain Shams University, for her cooperation, supervision and assistance during the practical part of this work and for her remarkable effort and considerable help.*

*I would like to express my hearty thanks and deepest gratitude to my family, for their support, understanding and tolerance all the time till this thesis was completed and always.*

*Last but not least, I am greatly indebted to every child from the Pediatric Allergy and Immunology clinic, Ain Shams University sharing in this thesis.*

*Neima Mohamed Hassan*
