# ACKNOWLEDGMENT

## ACKNOWLEDGEMENT

Praise to ALLAH, the merciful and the compassionate for all the countless gifts have been offered. Of these gifts, those persons who gave me the precious hands, so I have been able to fulfill this study.

I am greatly honored to express my thanks and deepest gratitude to **Prof. Dr. Asmaa Hamed Shoriet**, Professor of Pediatrics, head of Pediatric Intensive Care Unit (PICU), Faculty of Medicine, Assiut University, for giving me the honor of working under her supervision and for her continuous encouragement with kind guidance throughout the whole work.

With all my deepest and most sincere feelings, I would like to acknowledge **Dr. Emad El-Deen Mahmoud Hamad**, Lecturer of Pediatrics, Faculty of Medicine, Assiut University, for his continuous encouragement, creative and comprehensive advice and support until this work came to existence.

No words can be sufficient to express my gratitude and indebtedness to all staff members and my colleagues in Pediatrics Department, Faculty of Medicine, Assiut University, for their valuable suggestions and fruitful cooperation.

*Usama Shaban Mohammed*
