5) Complications of interlocking nail fixation.....	34
6) Discussion &Recommendation	40
7) References.....	52
8) Summary.....	58
9) Arabic summary.....	ب

Acknowledgment

It is with the deepest gratitude that I wish to express my appreciation of the persistent and unfailing efforts and sincere and inestimable guidance of *professor Dr. MOHAMMED MAZIAD* professor of orthopedic surgery Ain Shams University. He has been kind enough to spare no effort and no time to orient, to advise, to supervise, to teach and to give willingly and lavishly from his inexhaustible treasurers of knowledge.

I can also deeply conscious of the great help continually and most generously offered by *professor Dr. ALY IBRAHIM* professor of orthopedic surgery Ain Shams University. No word of praise can really give him his due or thank him enough.

Thanks are also to *Dr. AHMED MOHAMMED EL-SAEED* lecturer of orthopedic surgery Ain Shams University for the very helpful hand he gave and is always inclined to give teaching, encouraging and inspiring and his valuable directions to complete my research and come to light.

Chapter 1

INTRODUCTION
