ACKNOWLEDGEMENT

Above all and first of all thanks to all might Allah.

I wish to express my deep gratitude to **Prof. Dr. Badawi Labieb Mahmoud** Professor of internal medicine and Nephrology, Faculty of Medicine, Ain Shams University for giving me the great thankful for work under his supervision with his eminent guidance, constant support and outstanding encouragement.

I am also greatly thankful for **Prof. Dr. Ahmed Abd El-Kader, professor** of internal medicine and Nephrology, Faculty of Medicine, Ain Shams University for his sincere advice, great support and valuable efforts.

I wish to express my deepest thanks to **Dr. Yasser Soliman, Assistant professor** of internal medicine and Nephrology, Faculty of Medicine, Ain Shams University for his great assistance.

I wish to thank my supervisors, colleagues, my patients and medical staff at Nasser institute for their great help and cooperation without which achievement of this work would not be in its present form.

Last but not least, I would like to thank my family for their great help and support.
