

Endoscopic Versus Microsurgical Resection for Management of Colloid Cysts of the Third Ventricle

A Systematic Review

A dissertation submitted in partial fulfillment of the conditions for the award of Master Degree in Neurosurgery

By

Ibrahim Mohamed Ibrahim

M.B.B.Ch 2008

Faculty of Medicine, Ain Shams University

Under Supervision of

Prof.Dr. Mohamed Alaa Fakh

Professor and Head of Department of Neurosurgery

Faculty of Medicine, Ain Shams University

Assist.Prof.Dr. Ahmed Abd El-Bar

Assistant Professor of Neurosurgery

Faculty of Medicine, Ain Shams University

Dr. Ahmed Mohamed El-Sayed

Lecturer of Neurosurgery

Faculty of Medicine, Ain Shams University

*Faculty of Medicine
Ain-Shams University
2017*

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

قالوا

سببنا انك لا تعلم لنا
إلا ما علمتنا إنك أنت
العليم العظيم

صدقة الله العظيم

سورة البقرة الآية: ٣٢

Acknowledgments

*First and forever, thanks to **Allah**, Almighty for giving me the strength and faith to complete my systematic review and for everything else.*

*I would like to express my sincere gratitude to **Prof.Dr. Alaa Fakhr**, the chairman of Neurosurgery Department, Faculty of Medicine – Ain Shams University, under his supervision, I had the honor to complete this work, I am deeply grateful to him for his professional advice, guidance and support.*

*My deep gratitude goes to **Assist. Prof. Dr. Ahmed Abd El-Bar**, Assist. Professor of Neurosurgery, Faculty of Medicine – Ain Shams University, for his valuable efforts, tireless guidance and meticulous supervision throughout this work,*

*I can't forget to thank **Dr. Ahmed EL-Sayed**, Lecturer of Neurosurgery, Faculty of Medicine – Ain Shams University, for the efforts and time he has devoted to accomplish this work,*

*Last but not least, I like to thank all my **Family**, especially my beloved **Wife**, for their kind care, help and encouragement.*

 **Ibrahim El-Desouky**

List of Contents

<i>Subject</i>	<i>Page No.</i>
List of Abbreviations.....	i
List of Tables.....	ii
List of Figures	v
Introduction	1
Aim of the Work.....	4
Narrative Review	
1- Embryology of brain ventricular system:	5
2- Anatomy of the third Ventricle	8
3- Physiology of Cerebrospinal Fluid.....	37
4- Epidemiology and pathology of Colloid cyst of the third ventricle	48
5- Clinical Presentation and Diagnostic Approach of Colloid cyst of the third Ventricle.....	54
6- Management of Colloid cyst of the third Ventricle	67
7- Neuroendoscopy.....	91
Systematic Review	98
 Methodology	98
 Results	106

Meta-analysis	115
Statistical Methods.....	115
Results	117
Discussion.....	156
Conclusion.....	164
References	169
Appendix	I
Arabic Summary	-----

List of Abbreviations

<i>Abbreviation</i>	<i>Full Meaning</i>
ATPase	: Adenosintriphosphatase
BBB	: Blood brain barrier
CBC	: Complete blood count
CBN	: Contraction band necrosis
CI	: Confidence limits
CISS	: Constructive interference in steady state
CLEAR	: Clearinghouse for Labor Evaluation and Research
CNS	: Central nervous system
CSF	: Cerebrospinal fluid
CSFP	: Cerebrospinal fluid pressure
CSP	: Cavum septum pellucidum
CT	: Computed topography
DVA	: Developmental venous anomaly
EMA	: Epithelial membrane antigen
FEM	: Fixed-effects method
FLAIR	: Fluid-attenuated inversion recovery
GTR	: Gross total resection
ICP	: Intra-cranial pressure
MR	: Magnetic resonance
MRI	: Magnetic resonance imaging
Nd:YAG	: Neodymium-doped yttrium aluminium garnet
PRISMA	: Preferred reporting items for systematic reviews and meta-analysis
RCT	: Randomized controlled trial
REM	: Random-effects method
SAS	: Subarachnoid space
SSVP	: Sagittal sinus venous pressure

List of Tables

<i>Table No.</i>	<i>Title</i>	<i>Page No.</i>
Table (1):	Various Surgical Techniques with Its Advantages and Limitations.....	72
Table (2):	Population description and pre-operative findings for the endoscopic group.....	107
Table (3):	Population description and pre-operative findings for the microsurgical group.....	108
Table (4):	Post-operative primary outcomes and mean follow-up time for the endoscopic group.....	109
Table (5):	Post-operative primary outcomes and mean follow up time for the microsurgical group.....	110
Table (6):	Post-operative secondary outcomes for the endoscopic group.....	111
