Acknowledgment

*With gratitude, I feel always indebted to
Allah, the Kind and Merciful.*

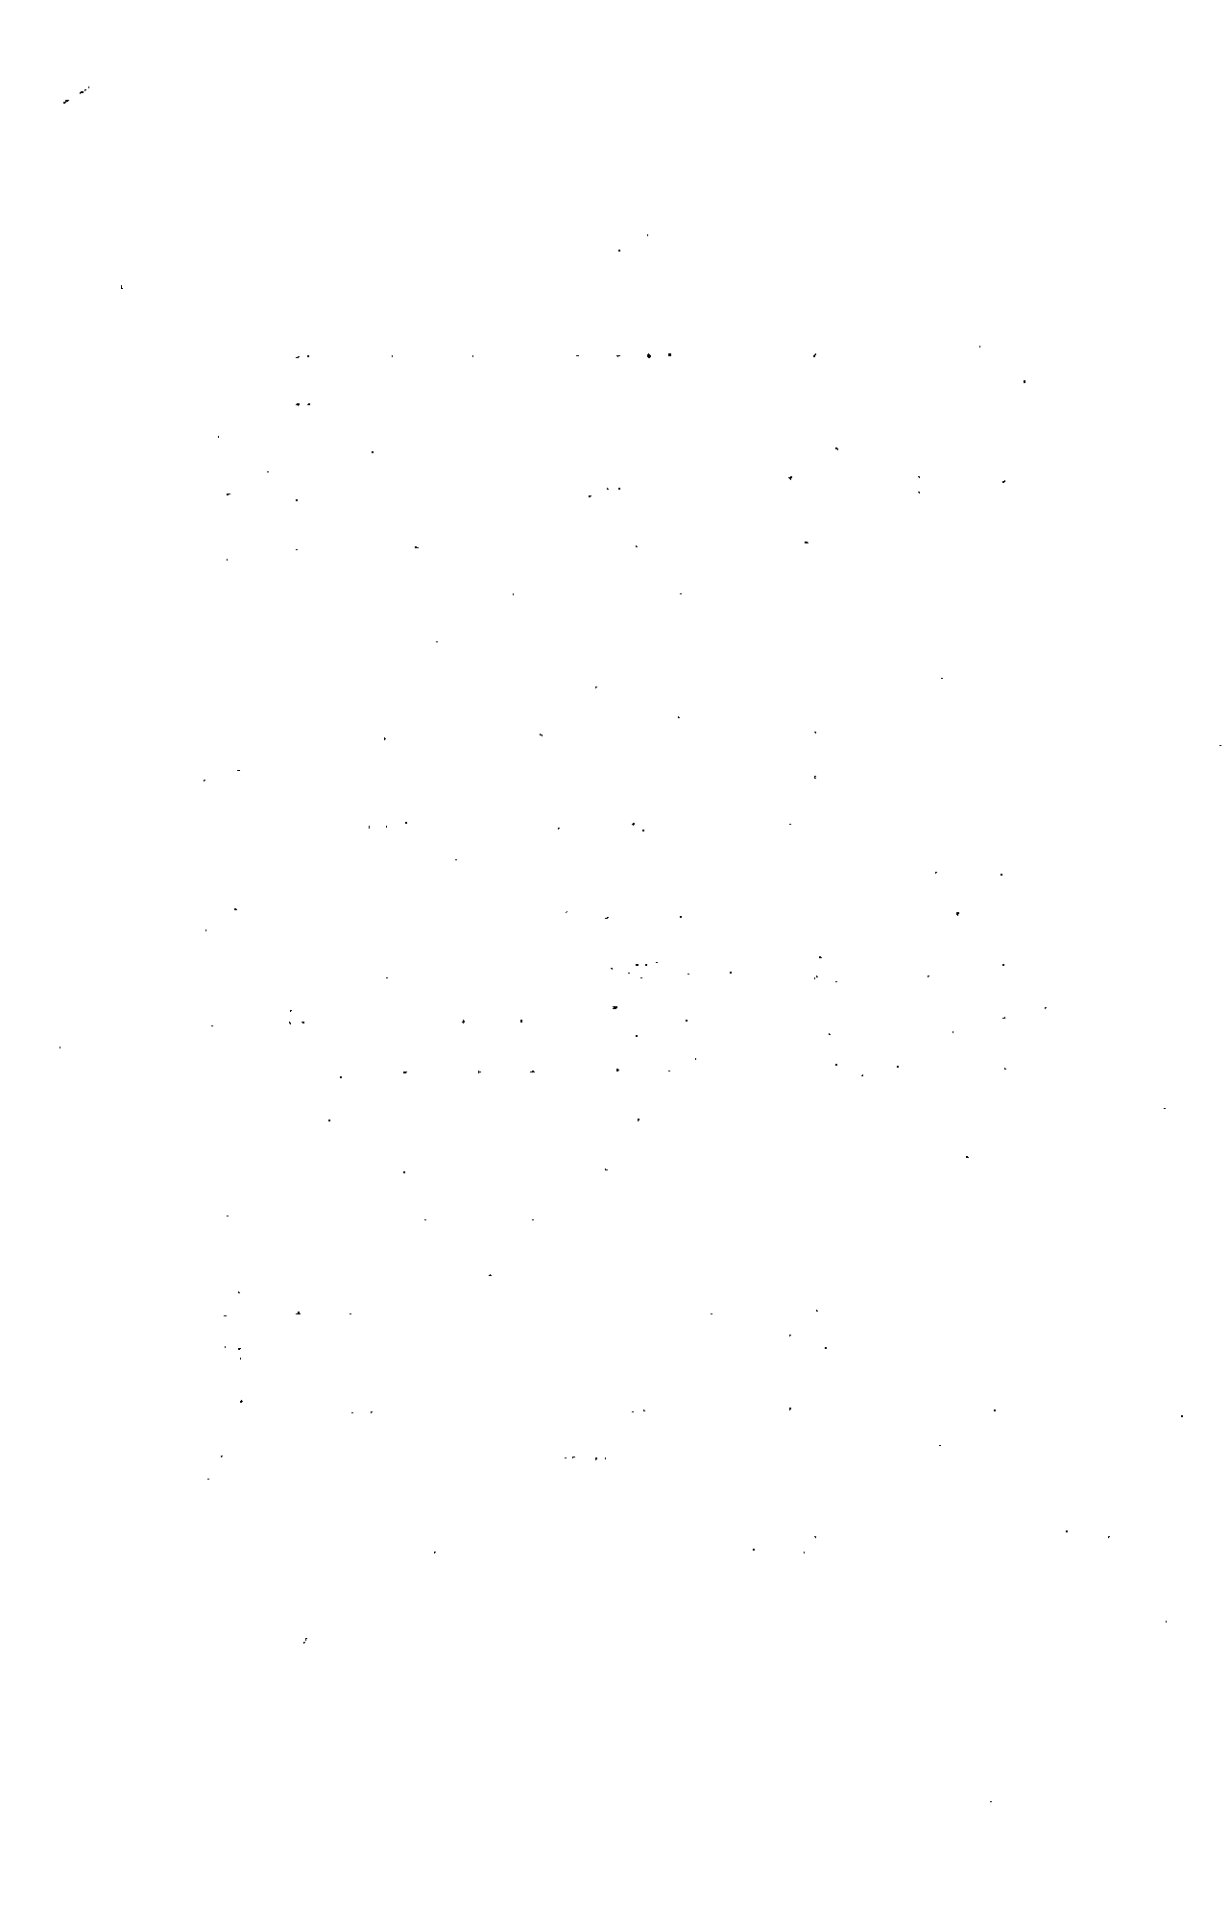

I am deeply grateful to Prof. **Dr. Ismail Osman Abdel-Hafeez**, Prof. of Urology, Faculty of Medicine, Ain Shams University, for his scientific help, meticulous supervision to accomplish this work, without his enthusiasm that has made the easiest out of the most difficult. I would not have been able to start and reach the perfection of this work.

I turn a grateful heart to **Prof. Dr. Zeinab Abdel-Hamid Coutfi**, Chairman of Psychiatric Nursing Department, High Institute of Nursing, Ain Shams University, I am indebted to her constructive criticism, expertise, continuous unlimited help and giving me the privilege to work under her supervision. I appreciate her active participation in providing me with a lot of knowledge.

I wish to express my appreciation to **Dr. Neamet Allah Gomaa Ahmed**, Lecturer of Medical Surgical Nursing, High Institute of Nursing, Ain Shams University, for meticulous supervision, tireless efforts, fruitful guidance, valuable support and instructions through out this work, all are deeply and heartily appreciated.

I would like to express my deep thanks to all those who contributed by giving their time, effort and encouragement to the fulfillment of this work.

Many thanks are sincerely sent or even more sincerely meant to my parents, my lovely sister and her children and my brother, and to my Mother-in law, "Allah bless them all"
