Dedication

I would like to dedicate this thesis to the most loving , caring and supportive parents ever My Mum **Mona Sayed el Rouby** and My Dad **Mohamed Ahmed Rashed** who guided me in every step of the way and taught me the importance of seeking education and learning, as they showed me the meaning of setting goals and achieving them .And A special dedication to my husband **Dr .Ahmed Mohamed said** who helped make this thesis possible with his continuous love, support, and dedication. And last but not least I dedicate this thesis to the purpose of my being and the love of my life my little pearls , **Youssef , Lojain and Haya .**

ACKNOWLEDGEMENT

First of all, I thank God for everything and especially for the steady steps I have been taking in my career.

I would like to express my great appreciation to **Prof. Dr.Hassan Ebied**, Professor of Economics at Cairo University who honored me by his kind supervision, guidance and support, I am grateful to him for making this thesis an enjoyable means of study and I have to express my deepest appreciation for his expertise and great directions all through the work and his efforts in finishing so much work in such small time.

I also wish to express my deepest gratitude to Miss Dalia who helped in every step of making this thesis and honestly if it wasn't for her I couldn't have made it this far so "thank you".

I owe my deepest gratitude to mum and dad who made available their support in every possible way, if it wasn't for their continuous guidance I would not have earned this honorable degree.

I am happy to thank my husband for being the great person that he is and for being the energy that kept me going to fulfill my dream of earning a master's degree.

I would like to say "thank you" to all those who supported, helped me with their suggestions and ideas, and made this work possible.

Finally, I have to thank my kids for being in my life and adding happiness, meaning, and worthiness to everything that I achieve.
