ACKNOWLEDGEMENT

Acknowledgment

All gratitude is due to "ALLAH" Almighty who helped me to bring forth to light this thesis.

It is a pleasure chance also to express my great thank to **Prof. Dr. A. H. Nawar** the former Director of National Institute of Oceanography and Fishers at Hurghada (Red sea Branch), for his kind supervision, proposing problem and sincere help.

The author wishes to express his deepest gratitude and all word of thanks to **Prof. Dr. A. M. Mansour**, head of Geology Department, faculty of science at Qena, South Valley Univ. for planning, suggesting the research problem, critically reading, discussing and finishing the manuscript.

It is a pleasure chance to express my great thank to **Prof. Dr. M. S. El-Deek** Prof. of Marine Chemistry and Director of National Institute of Oceanography and Fishers at Hurghada (Red sea Branch), for his kind and sincere help.

Also, great thanks to **Prof. Dr. H. M. Rageh**, Dean of faculty of science at Qena for his kind help during this research.

Thanks also extended to the members of National Institute of Oceanography and Fishers at Hurghada (Red sea Branch).
