ACKNOWLEDGMENT

First and foremost, I am indebted to my Good forever I would like to express my deepest thanks and sincere appreciation to **Prof. Dr. A.A. El-Hosary**, Professor of Agronomy, Faculty of Agriculture, Moshtohor, Zagazig University for his kind supervision, help and energetic follow up during the course of research, preparing and writing the thesis.

I would like to express my deepest thanks and sincere appreciation to **Prof. Dr. S.A. Seif**, Professor of Agronomy, Faculty of Agriculture, Moshtohor, Zagazig University for his kind supervision, help and his valuable advice and guidance throughout the course of study and writing the manuscript.

I would like to express my deepest thanks and sincere appreciation to **Dr. M. I. El-Emery**, Head Researchers and Head of Seed Technology Department, Agricultural Research Center, for his kind supervision, providing all of the required facilities throughout this study and for his continuous encouragement.

Thanks to all members and staff of Seed Technology Department, Field Crops Research Institute, Agricultural Research Center, for their support and unlimited assistance.

My deepest thanks and gratitude to my family and my wife **Dr. Sahar** for their patience, continuous help and encouragement.
