ACKNOWLEDGEMENT

"Thanks to God before and after"

I would like to express my sincere gratitude to *Prof. Dr. Galal M. Amer*, Professor of Internal Medicine Department, Faculty of Medicine, Menoufiya University, whose guidance, help and sincere supervision were the cornerstone in the building up of this thesis. He kindly supervised all the details of this work and revised all the work throughout its various steps. A few words could hardly do justice to thank Prof. Dr. Galal M. Amer.

I would like to express my gratitude to *Prof. Dr. Ibrahim Baghdadi*, Assistant Professor of Internal Medicine, Faculty of Medicine, Menoufia University, for his valuable help, cooperation, encouragement. He offered me much of his unlimited experience in this research.

I would like to express my gratitude to *Prof. Dr. Nabil El-Kafrawy*, Assistant Professor of Internal Medicine, Faculty of Medicine, Menoufia University, for his kind supervision and continuous encouragement and his great support enable me to carry out this work.

I would like to express sincere gratitude to *Prof. Dr. Mahmoud Badawy*, Professor of General Surgery, Faculty of Medicine, Menoufia University, for his generous advice, and huge assistance in the practical part of this work.

I would like to express my greatest thanks to *Prof. Dr. Nabil Gad-Elhak*, Professor of General Surgery and Head of Motility Unit Gastroenterology Center, Faculty of Medicine, Mansoura University, for generous advice and huge assistance in the practical part of this work.

I would like to express my gratitude to all members of Internal Medicine Department for their help and cooperation during preparing this work.
