Biological and Chemical Analysis of Herbal Products of Interesting Biological Activity

Thesis presented by

Doaa Ahmed Mohammed Korany

B.Sc. Pharmacy, Ain Shams University (2003)
Teaching Assistant of Pharmacognosy,
Faculty of Pharmacy, Ain Shams University

Submitted for the partial fulfillment for the requirements of Master
Degree in Pharmaceutical Sciences (Pharmacognosy)

Under the supervision of

Prof. Dr. Nahla A. Ayoub

Professor of Pharmacognosy
Faculty of Pharmacy, Ain Shams University

Dr. Sherweit H. El-Ahmady

Lecturer of Pharmacognosy
Faculty of Pharmacy, Ain Shams University

Department of Pharmacognosy
Faculty of Pharmacy, Ain Shams University
(2014)

ARABIC SUMMARY

ABSTRACT

TO THE SOUL OF MY FATHER-IN-LAW

Acknowledgement

*First and foremost thanks to **Allah** by the grace of whom this work was achieved.*

*No words would ever express my everlasting gratitude and deepest appreciation to **Prof. Dr. Nahla A. Ayoub**, Professor of Pharmacognosy, Faculty of Pharmacy, Ain Shams University, for her continuous support, precious advice, indispensable help in the practical work and thesis writing and for her wholehearted support in my worst times, without her help, this thesis would not take the shape. I need pages and pages to thank her and it will not be enough. I am truly proud to be one of her students.*

*I am sincerely grateful to **Dr. Sherweit H. El-Ahmady**, Lecturer of Pharmacognosy, Faculty of Pharmacy, Ain Shams University, for her great help, valuable comments and kind supervision.*

*I would like to express my deep thanks to **Prof. Dr. Mohammed M. El-Azizi**, Professor of Pharmacognosy and Chemistry of Natural Products, Ex-Dean Faculty of Pharmacy, Ain Shams University, for suggesting the research topic.*

*No words can express or repay my great thanks to **Prof. Dr. Abdel Hamid Abdallah El-Shamy**, Professor of Pharmaceutics and Industrial Pharmacy, Faculty of Pharmacy, Ain Shams University (peace upon his soul), for his faithful guidance, fatherly care and unlimited support through my long and hard journey, as well as for his great help and guidance in preparing the formulations for the pharmacology work and also for the clinical study (that I hope I can work on in another piece of work).*

*I owe a heavy debt of gratitude to **Prof. Dr. Abd El-Nasser Badawi Singab**, Dean and Professor of Pharmacognosy, **Prof. Dr. Amani Emam Mohammed Khalifa**, Professor of Pharmacology and Toxicology, Ex-Vice Dean for the postgraduate studies affairs and scientific research and **Prof. Dr. Hala Osman El-Mesallamy**, Professor of Biochemistry, Vice Dean for the postgraduate studies affairs and scientific research, Faculty of Pharmacy, Ain Shams University, for their indispensable help and unlimited support through my long journey.*

*I wish to express my deepest appreciation and sincere thanks to **Prof. Dr. Ashraf Bhay El-Din Abd El-Naim**, Professor of Pharmacology and Toxicology, Faculty of Pharmacy, Ain Shams University, for his great help and constructive remarks in the practical work and thesis writing and for providing me all the facilities to finish my practical work.*

*My sincere thanks and deep feeling of gratitude to **Prof. Dr. Ebtehal El-Demerdash Zaki**, Professor of Pharmacology and Toxicology, Faculty of Pharmacy, Ain Shams University, for her valuable advice, constructive discussions and help in the practical work, as well as providing me chemicals and drugs.*

*I would like to express my appreciation and gratitude to **Dr. Mohammed L. Ashour**, Lecturer of Pharmacognosy, Faculty of Pharmacy, Ain Shams University, for his constructive advice and great help in solving the GC/MS, for providing me with the software and also for hosting the biological screening experiments in Germany.*

*I would like to thank **Prof. Dr. Adel Bakeer Kholoussy**, Professor of Pathology, Faculty of Veterinary Medicine, Cairo University, for his great effort in accomplishing the part of histopathological technique.*

*I would like to express my deep thanks to all my **colleagues** in the Pharmacognosy and also the Pharmacology and Toxicology Departments, Faculty of Pharmacy, Ain Shams University, for their great cooperation and support.*

*My special thanks are due to whom did play and still playing a very special part in my life, my dear **mother** and **father**, words are not enough to describe their great love, patience, support and continuous encouragement. They continuously prayed to Almighty **Allah** for my success and provided me with the suitable atmosphere to work. I am very thankful to my dear **sister** and **brother** who believe in me and support me all the time.*

*My profound gratefulness to my **father-in-law** (peace upon his soul), for his continuous encouragement and unlimited support, without his help I wouldn't be here today, thanks a lot for being a real father for me, I hope that I will meet you in the paradise ISA. My special thanks are due to my **mother-in-law** for her great support by just being beside me.*

*Finally, my deep and sincere love is devoted to my dear **husband**, Mahmoud, and my beloved **sons**, Omar, Ahmed and Abd El-Rahman, who have been a great source of motivation and inspiration and for all their sacrifices and patience along the way to help me, hoping that they will be always proud of me as I am of them.*

To you all, Thank you.

*Doaa Ahmed Korany
Cairo, 2014*
