Arabic Summary	

ACKNOWLEDGMENT

*I would like to express my deepest gratitude and ultimate thanks to **Prof. Naglaa Mohamed Nagi Al-Mahallawy**, Professor of psychiatry, Faculty of Medicine, Ain Shams University, for accepting to supervise this work. She generously devoted much of her precious time and provided unlimited support, effort and in depth guidance, I sincerely appreciate all the encouragement and support given by her.*

*I am profoundly grateful to **Prof. Amr Magdy Sayed Mahmoud**, Professor of Plastic Surgery, Faculty of medicine, Ain Shams University, for his close and kind supervision.*

*I am deeply grateful to **Prof. Heba Ibrahim Essawy**, Professor of Psychiatry, Faculty of Medicine, Ain Shams University, I am grateful for her helpful notes and valuable recommendations throughout this work.*

*I am eternally grateful to **Prof. Ghada Abdel Razeq Mohamed**, Professor of Psychiatry, Ain Shams University for her great help and kind advice, careful supervision. She gave me much of her time, effort and her great experience and knowledge.*

*My sincere thanks and deep appreciation goes to **Prof. Ghada Refaat Amin**, Professor of Psychiatry, Faculty of Medicine, Ain Shams University, for her faithful guidance, valuable comments and meticulous revision of the thesis helping me to accomplish this work.*

Finally, my thanks should go to all burn patients who were the subjects of this work and who accepted to cooperate and help me in this research.
