

# **Comparison of efficacy of Endovac irrigation system & XP Endo Finisher: An in vitro scanning electron microscope study.**

Thesis Submitted to the Faculty of Dentistry Ain  
Shams University In partial fulfillment of the  
requirements for the Master degree in  
Endodontics

**By**

**Hesham Mohamed Salah**

**B.D.S (2011),Cairo university.**

***Supervision committee***

***Prof. Dr. Ahmed Abd-Elrahman  
Hashem.***

Professor of Endodontics

Faculty of Oral and Dental Medicine

Ain-Shams University

***Dr. Mohamed Mokhtar Nagi.***

Assistant professor of Endodontics

Faculty of Oral and Dental Medicine

Ain-Shams University

الحمد لله رب العالمين

## ***Acknowledgement***

I would like to express my most sincere gratitude to **Dr. Ahmed Abd-Elrahman Hashem**, Professor of Endodontics, Faculty of Dentistry, Ain Shams University for his encouragement, help and extreme patience.

No words can express my thanks and appreciation to **Dr. Mohamed Mokhtar Nagi**, Assistant professor of Endodontics, Faculty of Dentistry, Ain Shams University for his valuable advice and unique cooperation.

Last but not least, my most sincere gratitude is expressed to all my colleagues and staff members of Endodontic department for their support and cooperation.
