SUPERVISORS

Prof. Dr. Mohamed Moustafa El Nahas,
Professor of Radiodiagnosis,
Faculty of Medicine,
University of Alexandria

Dr. Ahmed Mohallel Mohammed,
Lecturer of Radiodiagnosis,
Faculty of Medicine,
University of Alexandria

Dr. Ahmed Nagati,
Lecturer of Obstetrics and Gynecology,
Faculty of Medicine,
University of Alexandria

Co-Worker:

Dr. Salah El-Din Desouki,
Lecturer of Radiodiagnosis,
Faculty of Medicine,
University of Alexandria

Acknowledgement

I would like to express my deepest gratitude to Professor Dr. Mohamed Moustafa El Nahas, Professor of Radiodiagnosis, Faculty of Medicine, University of Alexandria, for his unlimited guidance, meticulous supervision and valuable advice that helped me to produce this work in a presentable form.

I also wish to extend my deepest gratitude to Dr. Ahmed Mohallel Mohammed, Lecture of Radiodiagnosis, Faculty of Medicine, University of Alexandria for his generous contribution and continuous encouragement throughout all the steps of this work.

Thanks to Dr. Ahmed Nagati, Lecturer of Obstetrics and Gynecology, Faculty of Medicine, University of Alexandria for his actual cooperation, valuable and generous help he gave to this work.

I will remain grateful to Dr. Salah El-Din Desouki, Lecturer of Radiodiagnosis, Faculty of Medicine, University of Alexandria for his help, advices and precious time he spent reviewing the manuscript of this thesis.

My deepest and endless thanks to my parents, Dr. Momtaz Youssef Saad and Dr. Laila Riad Dawood for their close, continuous encouragement and unlimited assistance which were vital for the completion of this work.

My deep thanks and appreciation to my husband, Dr. Maged Monir Zaky for his continuous motivation, enthusiasm and sincere help.

Lastly but not the least, I would like to express my deep thanks to all members of the Diagnostic Radiology Department, Faculty of Medicine, University of Alexandria for their unlimited support.
