Splenic trauma  
or disease

ADAM.

Splenic tear

## Acknowledgements

### *IN THE NAME OF ALLAH*

I always feel deeply indebted to my GOD: the real guide and the real supporter.

If I would like to express my deepest gratitude and extreme appreciation to **Professor Dr. Mohamed Mokhtar ElShahawy** Professor of General Surgery, Benha Faculty of Medicine for his kind supervision, valuable help and continuous encouragements to complete this work as a father and greatest teacher, I did not find the words by which I can express what in my heart.

I am also very grateful to **Dr. Mohamed Ashraf Kamal** , Assistant Professor of General Surgery , Benha Faculty of Medicine For his kind supervision and his valuable advice.

Finally, I wish to express my great thanks to **Dr. Hazem Mohamed Sobeih**, Lecturer of General Surgery Benha Faculty of Medicine who is the hidden soldier and who did his best with me to make this work come to light.

## *Contents*

1- Introduction and Aim of the work..	1
