Acknowledgements

First of all, my deepest gratitude and thanks to Allah, creator of all, for helping me to accomplish this work.

My beloved Country.....Syria

I wish to offer my deepest gratitude and sincere thanks to Prof. Dr. Nahed Abd Almoneam ElSebai ;professor of Medical Surgical Nursing-Faculty of Nursing, Alexandria University; for her precious advice, valuable instructions, kindness, instructive supervision, meticulous and extreme patience, continuous encouragement and support. I greatly appreciate her effort during the course of this work.

I would like to express my deepest regards, gratitude, and sincere appreciation to Dr. Maha Adel Salem Assistant Professor of Medical Surgical Nursing, Faculty of Nursing, University of Alexandria for her endless patience, continuous support and motivation throughout the study.

My special deepest gratitude and thanks for all my family members for their constant help, love, support, particularly my mother and my father who are playing many roles in my life as parents, friends, and source of inspiration. I could not possibly have accomplished this work without their encouragement and support.

Last, but not least, I wish to offer my appreciation to my friends, who I loved them and they loved me.
