Dedication

*For their tireless support and endless
encouragement, I lovingly dedicate
this work to my wife & my parents*

Dedication

For the first time in the history of the world
the knowledge of the human mind
has been made known to the world.

Acknowledgment

First and foremost thanks are to GOD

*I wish to express my deep appreciation to **prof. Dr. Mamdouh El-Ashery**, Professor of cardiology, Ain Shams University, for giving me the privilege of working under his instructive and helpful guidance.*

*I also express my deep thanks and sincere gratitude to **Dr. Mohamed Ayman Saleh**, Assiss. Professor of cardiology, Ain Shams University for his generous co-operation, continuous advice and keen supervision.*

*Particular thanks to **Dr. Salah El-Din Demerdash** lecturer of cardiology, Ain Shams University for his keen supervision and faithful guidance.*

I extend thanks to my patients and to every one in the department of cardiology and cardiosurgery in Ain Shams University.

I am indebted to all my family, my colleagues and to everyone who participated in some way or another to make the completion of this work possible.
