State of the party of

ACKNOWLEDGMENT

First of all author wishes to thank ALLAH for everything.

I would like to express my sincere appreciation and my deep gratitude to Prof. Dr. kamal El-Deen Mostafa Saleh. Professor of Poultry Breeding, Dept. of Poultry Prod., Fac. of Agric., Kafr El-Sheikh, Tanta University, for his kind supervision. Suggesting the idea, Valualile advices, continuous encouragement, Fruitful help and for criticism in the manuscript.

Special thanks and gratitude to Prof. Dr. Talaat Mohamed El-Sayed. Professor of Poultry Breeding. Dept. Of Poultry Prod., Fac. Of Agric., Kafr El-Sheikh, Tanta University, for his supervision, great scientific advises and his kind in the statistical analysis. I will always remember his generous help.

Appreciation and thanks are due to Dr. H. H. younis. Lecturer of Poultry Breeding, Dept. of Poultry Prod., Fac. Of Agric., Kafr El-Sheikh, Tanta University, for suggesting and supervising this work, help and continuous encouragement me to do this work.

My deepest thanks to Prof. Dr. M. M. El-Habaak Professor of Poultry Physiology and head of Poultry Production Department, Fac. Of Agric., Kafr El-Sheikh, Tanta University, for his supervision, kind and valuable advices.

Special thanks and encouragement to Prof. Dr. M. M. Sami. Fac. Of Veterinary Medicine, Cairo University, for his scientific cooperation and valuable advices.

734° - 1

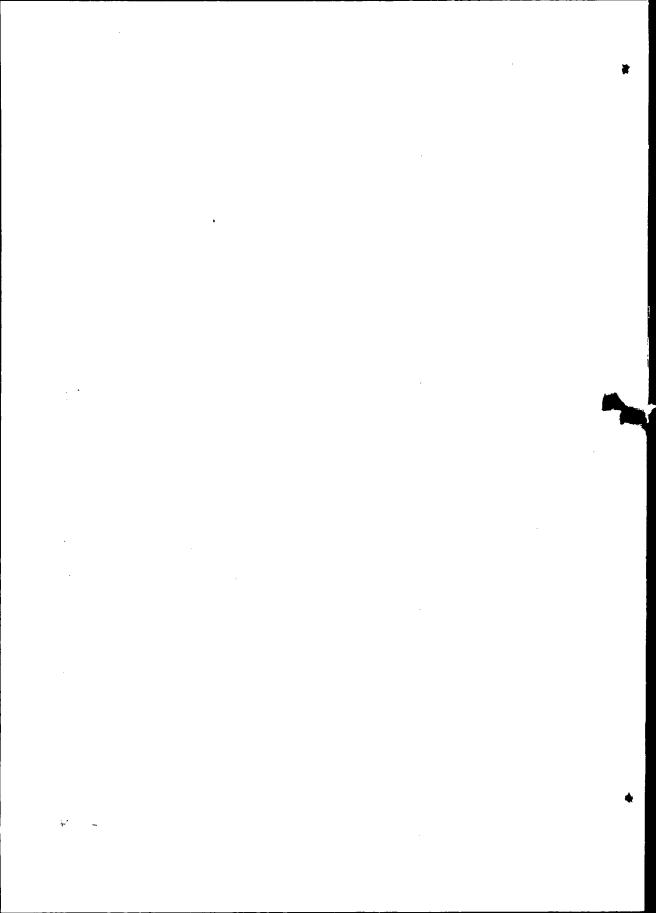

My deepest thanks to Dr. Ali Abou-Shousha. Lecturer of Genetics Fac. Of Agric., Kafr El-Sheikh, Tanta University, for his scientific cooperation and valuable advices in the molecular studies.

Lot of thanks and appreciation are extended to all members of Poultry Production Department, Fac Of Agric., Kafr El-. Sheikh, Tanta University, for their kind help and assistance to complete this work.

Deep gratitude is due to my friends and colleagues in Poultry Production Department, Fac of Agric., Kafr El-Sheikh, Tanta University, who have made practical assistance throughout this study.

My deepest thanks for all members of Poultry Research Unit, Fac. Of Agric., Kafr El-Sheikh, Tanta University, for their help during the experimental work.

Finally, I am indebted to my father, Mother, brothers in shaping my career with their affection and all my family for their continuous encouragement, a special acknowledgement of gratitude and appreciation is directed.
