To my Mother and  
Father

To my wife, and  
my daughter logy

## ACKNOWLEDGEMENT

I would like to convey indebted in all my work and life achievement to my Mercifull Allah

I would like to convey my frank appreciation to **Prof. Dr. Samir R. Nouh**, head of department of surgery, faculty of veterinary medicine, Alexandria University for his supervision, encouragement, guidance and valuable criticism, which emboldened to carry out, and fulfillment of this work.

I convey my deep thanks to my scientific guide **Dr. Ramadan El Sayed Abdel-Wahed**, assistant professor of surgery, faculty of veterinary medicine, Alexandria University, Who has given me constructive censure and incessant advices.

It is a vast delight to me to proof all meaning of gratitude to all staff members of surgery department, faculty of veterinary medicine, Alexandria University.

I am greatly indebted to **Brigadier Hassan Sami**, consultant of Brook Hospital for animal, for persistent encouragement and observation given by him during the preparation of this study.

I would like to convey my sincere gratitude to **Dr. Nasser Hosny**, Director of Brook Hospital for animal, for his help during the work and his cooperative management for the achievement of this study.

I thank and acknowledge the valuable help of my colleagues and co-workers in Brooke Hospital for Animals (Alexandria clinic).
