## *Acknowledgment*

Firstly I would like to express my deepest thanks, praise to God (Allah) for bestowal continuous giving and help to finish this word.

I would like to express my deepest gratitude to **Dr. Said A. Mahmoud** Prof. of Animal Nutrition, Animal production Department, Faculty of Agriculture, Kafr EL-Sheikh, Tanta Univ. for his kind supervision continuous encouragement, continuous invaluable help, guidance in the planning of this work, for the long hours that he devoted, his critical remarks and ideas for the presentation of this work as well as his effective advises through out my study.

I would like to express my deepest gratitude to **Dr. Fawzy I. Maagouz** Prof. of Fish Nutrition, Animal production Department, Faculty of Agriculture, Kafr EL-Sheikh, Tanta Univ. for his close supervision, suggesting the thesis and planning of this work, valuable guidance, continuous help, valuable discussion, sincere encouragement and revision of the manuscript. I would like to thank him for giving me a chance to be one of his students.

I wish to express my deepest appreciation to **Dr. Ahmad Abd El-baset Mohamed** head researcher, Animal production Research Institute for valuable advice and continuous support in academic and personal matters as well as chemical analysis of samples and facilitates of materials used in this study.

I would like to express my deepest gratitude and thanks to **Dr. Mohamed S. Saleh** associate prof. of Animal Nutrition Faculty of Agriculture, Kefr EL-Sheikh, Tanta Univ. for his kind supervision, continuous encouragement and his beneficial advises.

Special sincere thanks are due to **Dr. Abdehamid M. Abdehamid** prof. of animal Nutrition, Department of Animal production, Faculty of Agriculture, Al-Mansourah Univ. for his help in writing this manuscript and discussion of the results of this thesis.

My deep thanks to **Dr. A. E. Abdel-Khalak** lecturer of animal of animal Nutrition, Department of Animal production, Faculty of Agriculture, Al-Mansourah Univ. for his true assistance in this work.

I would like to express my deepest gratitude and thanks to **Dr. F. Elkeraby** vice president of the Agriculture Research Center , to **Dr. Abd El-Ghani Ibrahim** and **Dr. El-Shafei Omar** head of Sakha animal production Research Station for their help and encouragement.

I express my deep thanks to the staff of Sakha animal production Research Station **Dr. Alaa Mehrez** and **Mr. Arafa A. Halawa**.

My deep gratitude to **Mr. Rezk Abdel Aleem Hanafy** how provided me with fish during the practical work.

Last but not least, my deep heartily thanks to all members of my family, the sole of my father, to my mother, to my brothers, to my wife and my children for their encouragement moral support and their patience through out my study period.
