ACKNOWLEDGEMENT

ACKNOWLEDGEMENT

I would like to express my immense gratitude and cordial thanks to **Professor Dr. Maher Mokhtar Zaki**, Professor of Bacteriology, Faculty of Medicine, Assiut University, for his kind guidance, valuable instructions and criticism throughout the present work.

My great indebtedness is highly expressed to **Professor Dr. Amani Gamal Thabit**, Professor of Bacteriology, Faculty of Medicine, Assiut University, for her valuable instructions and precious criticism.

Grateful acknowledgement and hearty thanks are due to **Dr. Ihsan Abd-El-Sabour**, Lecturer of Bacteriology, for her encouragement and kind help.

Thanks are also due to all the staff members of the same Department for their good relations and encouragement.
