Acknowledgment

First and for most, I feel always indebted to
Allah The Kind and Merciful

I wish to express my deep appreciation and gratitude to Prof. Dr. Gilane Abd Et-Hamid Osman, Professor of Pediatrics, Faculty of Medicine, Ain Shams University, for her meticulous supervision, constructive criticism, expertise and continuous unlimited help, without her enthusiasm, motherly attitude that has made the easiest out of the most difficult and I would not have been able to start and perfection of this work.

I am gratefully acknowledging Dr. Sanaa Abd Et-Rahman Mahmoud, Assistant Professor of Pediatrics, Faculty of Medicine, Ain Shams University, for her constant professional guidance, fruitful comments, cooperation and continuous encouragement.

I wish to express my sincere thanks, respect and gratitude to Assis. Prof. Dr. Sabah Saad Et-Sharkawy, Assistant Professor of Pediatrics, High Institute of Nursing, Ain Shams University, for her support, close supervision, constructive criticism, humanity, valuable guidance, unlimited time and effort. Throughout this work, all are deeply and heartily appreciated.

I would like to express my deep thanks to all those who contributed by giving their time, efforts and encouragement to the fulfillment of this work.

DEDICATION
