سورة البقرة الآية: ٢٢

*First of all, all gratitude is due to **God** almighty for blessing this work, until it has reached its end, as a part of his generous help, throughout my life.*

*Really I can hardly find the words to express my gratitude to **Prof. Dr. Fatma Hamdy Hassan** Professor of Nursing Administration Faculty of Nursing, Ain Shams University, for her supervision, continuous help, encouragement throughout this work and tremendous effort she has done in the meticulous revision of the whole work. It is a great honor to work under her guidance and supervision.*

*I would like also to express my sincere appreciation and gratitude to **Dr. Mona Mostafa Shazly**, Assistant Professor of Nursing Administration, Faculty of Nursing, for her continuous directions and support throughout the whole work.*

*Especially I am obliged to **Dr. Samah Faisal Fakhry**, Assistant Professor of Nursing Administration, Faculty of Nursing, Ain Shams University, who offered her great help and her professional experience for completion of this work.*

Last but not least, I dedicate this work to my family, whom without their sincere emotional support, pushing me forward this work would not have ever been completed.
