ACKNOWLEDGMENT

I must state here the debt I owe to Prof. Dr. **Nabil Mohamed Abdel-Moety** *Prof. of Anesthesia & Intensive Care, Faculty of Medicine - Ain Shams University*, for his constructive remarks and valuable advices. Working under his supervision is all at once both pleasurable and educational. His fatherly attitude toward his patients, his candidates and his team is unique and memorable.

To Dr. **Gehan Seif El-Nasr Mohamed**, *Lecturer in Anesthesia & Intensive Care, Faculty of Medicine - Ain Shams University*, I would like to express many thanks and sincere gratitude, she gave me an excellent example of how a true scientist should guide and supervise her student's work.

Also, I would like to thank Dr. **Samia Abdel Mohsen Abdel-Latif**, *Lecturer in Anesthesia & Intensive Care, Faculty of Medicine - Ain Shams University*, for her endless encouragement and constructive criticism with the spirit and capacity of a true scholar.
